SUPPLEMENT TO  
REPORT NO.

25X1X

On 26 and 27 January 1951, unspecified aircraft are reported to have dropped some 500,000 propaganda leaflets in Albania, printed by the Committee for Free Albania. These leaflets exhort the Albanians to oppose, "by passive resistance," the present regime, whose fall is foreseen as imminent. According to information received by source from Greece, this propaganda has produced panic among the Communist leaders of Albania.
